Friendship, Happiness, and Fun

A DECADE AGO, Arcadia opened it's doors for the first time to a new age of learning, understanding, and enthusiasm that has made Arcadia High School unique in the fields of scholastics and sports the Titans have proved outstanding. These things have won Arcadia statewide recognition and honor.

The ten years of Arcadia's existence have witnessed the growth of the school both in number and in spirit, every year getting larger. This makes the Titans individuals and examples in the eyes of others

However, a school is only as great as the students that are within it. This year's 1969 Olympians dedicated to all the students of Arcadia, for each has done his part with his contributions of leadership, ability, and talents in making the school what it is today.

Seniors Achieve

Senior class officers Margie Wong, Secretary Karen Frank, girl representative Ira Petit, vice-president, Bob Huck, president

Diane Romney, treasurer, and Doug Kelly, boy representative, are still smiling after a long year filled with activities.

The Arcadia senior is a full profile Titan. Casting a giant shadow, he leads the way with confidence and pride. Meeting the challenge, he looks ahead with courage and knowledge earned only through experience. Written upon his face are the impressions—suppressed or bursting forth—of four years at his school. You see the breathtaking joy of winning

The growing warmth of friendship, the bitter sting of disappointments, the final acceptance of the bad with the good, the grueling strain of competition, and the utter happiness of being alive. As his last year slips too quickly by, he pauses briefly to reflect upon the events behind him, then readies to face the future, yet never forget the past.

Alessandra, Pentti, And

This year in America has been a wonderful experience for me. Leaving my country for a year to come to live here was at times difficult, but AFS, teachers, my family, and friends made the change a lot easier. I was able to choose my own subjects in school, to be a member of Student Council and to participate in all the extra-curricular activities: all new experiences for me. If any of you, my fellow Titans happen to come to Italy, be sure to see me so that I will be able to show you the kindness that you showed me. Con tutto mio cuore arrivederci a presto.

Alessandra Gola, AFS student from Italy

Pentti Sainio

Well, well, well, when you are supposed to say something nice in a foreign language (English is that for me), you certainly find yourself in trouble. The lack of words, that is the essence, when I'm trying to describe my fantastic year in Arizona, at Arcadia High. The problem is probably solved best by these words of my native (don't mix up the word primitive) language.

'Olen pyörinyt suuntaan ja toiseen, osallistunut rientoon kaikkia iloja ilmi tuoda, multa eramaassa oli mukava vetä juoda. Paljon on tämä vuosi osaltaan antanut. Kiitos kaikille, joita ovat antimet kantanut.

Saved

Tina,

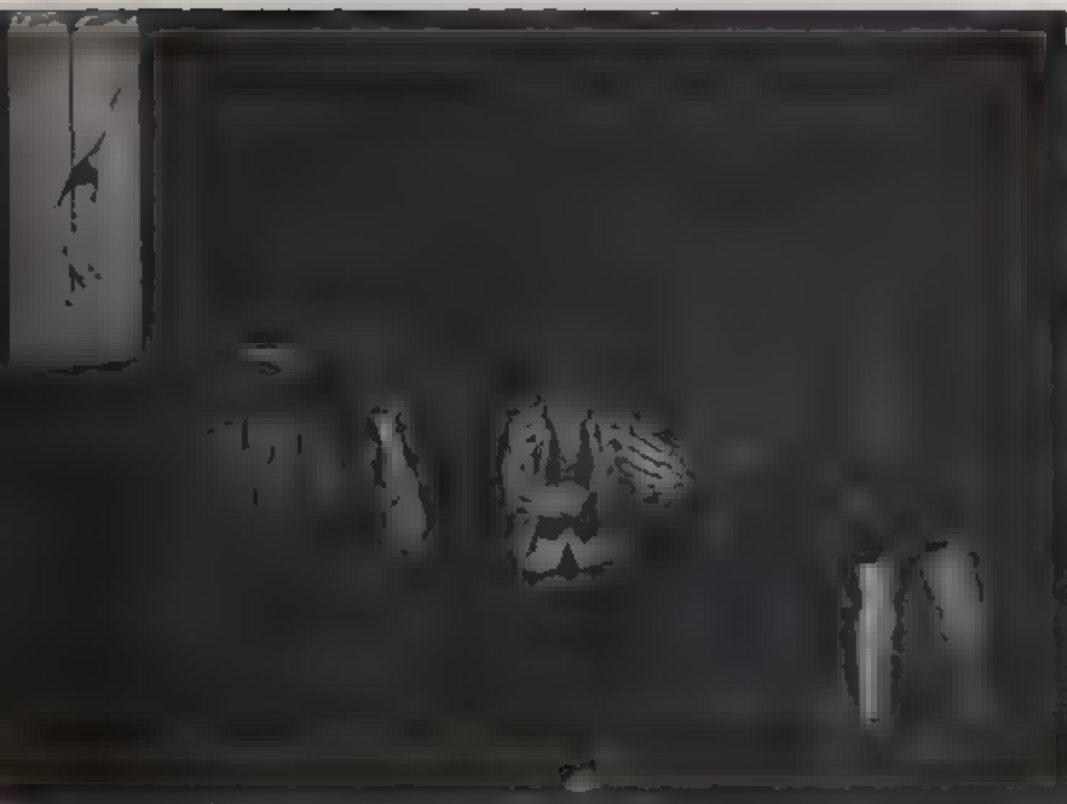

Here I go again! My first two notes were kinda nothing. This one probably will be a nothing one too. First of all I have a "poem":
Roses are red, violets are blue,
Sugar is sweet and so are you
But the roses are wilted, the violets are dead

The sugar is lumpy and so ~~are~~ is your head

A DECADE OF GROWTH

That poem really expresses my feelings of warmth and friendship in ACTIVITIES

(Just kidding) I really appreciate all the driving around you've done, all the suicides, candy bars, and fudgecycles, and talking to you at lunch.

History Comes Alive

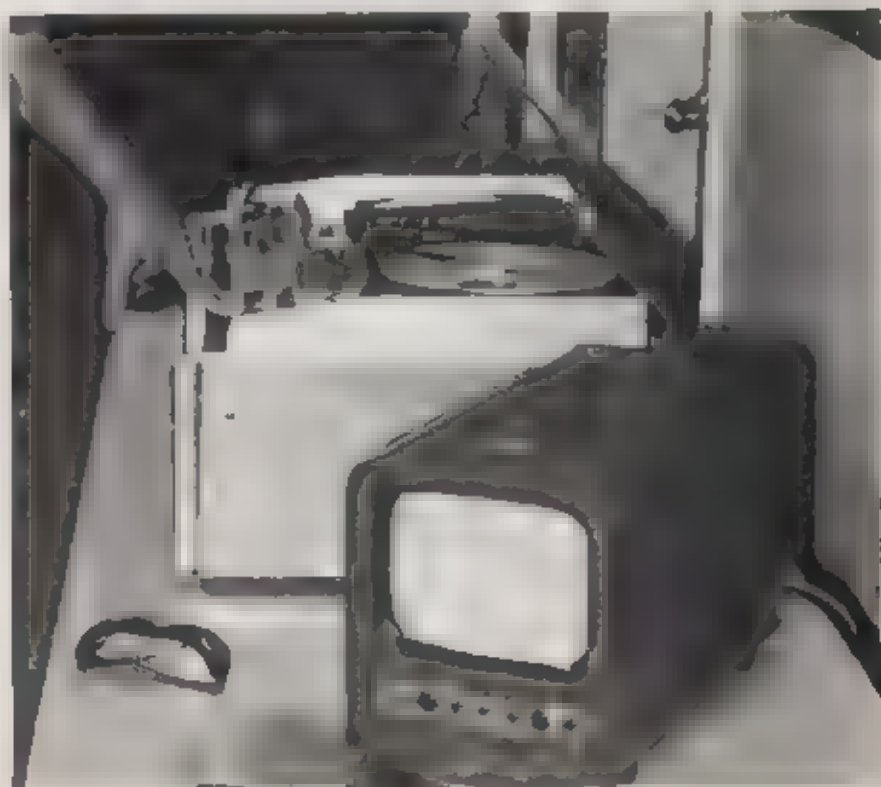

DIM LIGHTS, SOFT singing, and the intense voice of Mr. Finkbine dramatizes the ugly, often untold story of the Civil War. All of Mr. Finkbine's classes experienced the production which lasted the entire period. Dealing with the battle of Antietam, ex-Arcadians contributed their special talents of singing to add to the dramatic effect. The result was the realization of the tragedy of war.

Frank Webb, Carol and Craig Stromme, ex-Arcadians, sang war songs adding to the emotional intensity.

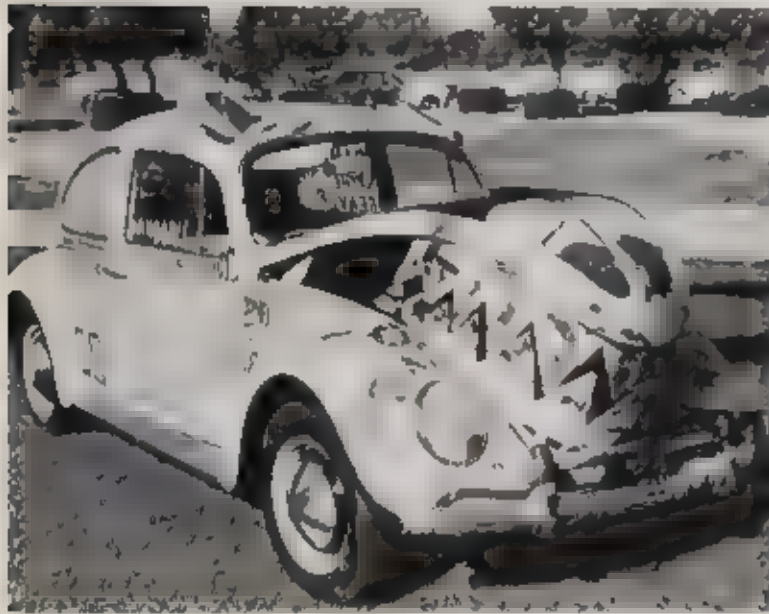

Mr. Finkbine's excellent narration set the solemn mood.

The entire production was video taped for later use in Mr. Finkbine's classes.

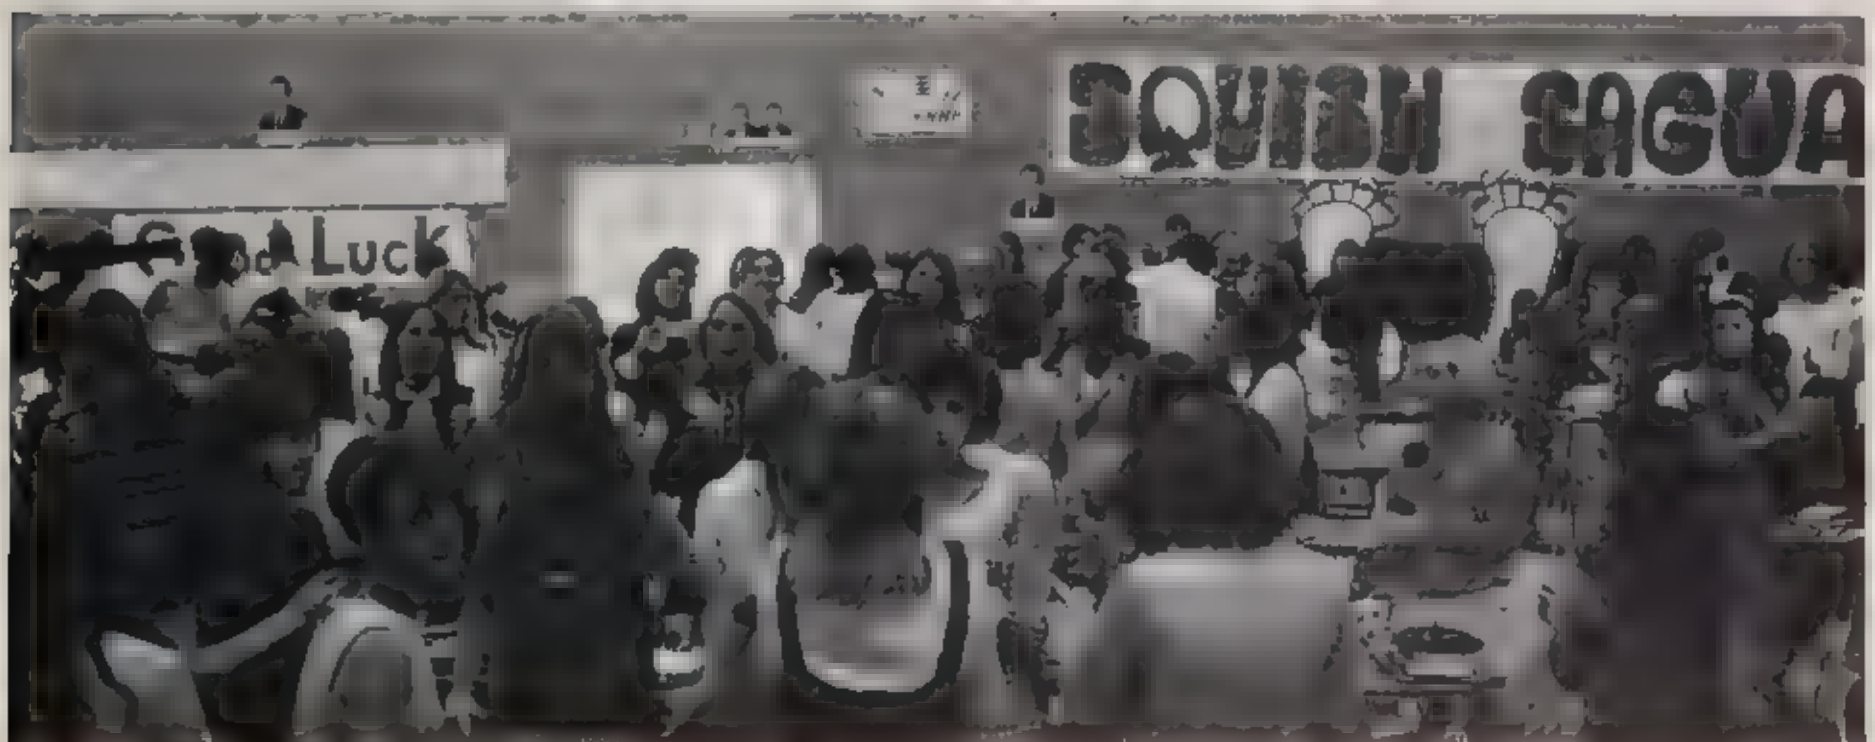

School Spirit High

Car decorating is a favorite expression of spirit

THROUGHOUT THE YEAR, Arcadia students express their abundant spirit by their tremendous turn out at the pep assemblies and games. Involving themselves as cheerleaders, coke sellers, and the much needed enthusiastic crowd, students display the Arcadia Spirit which has become a proud quality of our school

During the lunchroom Pep assemblies, the students are led in the fight song by the cheerleaders

Dances Arouse Spirit

Enthusiasm ran high as the Titans looked forward to the fall football games and the after-game dances. These dances provided not only the vibrating music and the fantastic vivid light shows but also created a place to meet new acquaintances. Following the Arcadia tradition the campus clubs crowned their Sweethearts and Kings at these dances

Beth Johnson poses for pictures wearing her Letterman's Sweetheart Crown

As a member of The Chosen Few, Scott Snyder, former Arcadia student, plays at many of the after game dances

Cindy Koerner was crowned as Key Club Sweetheart

Delta President, Linda Johnson, crowns this year's Delta Darling, Jim Hill.

Couples dance to the pulsating rock music

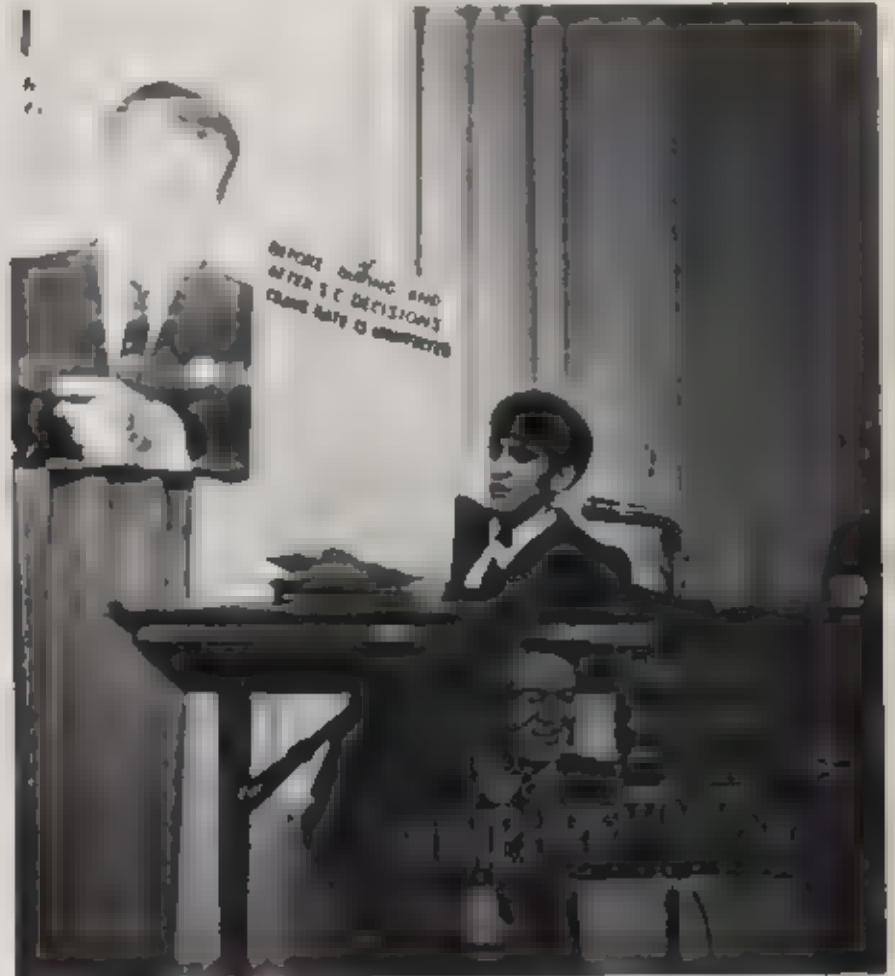

Frank Fondrissi was crowned this year's Sigma Beta Guy

NHS Sponsors Debates

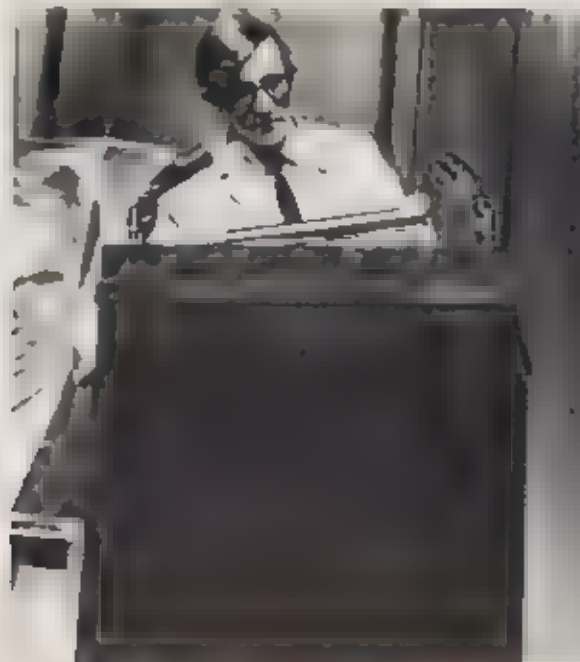

Glen Butt gives the opening speech in favor of Mr. Wallace

THE ELECTION YEAR of 1968 aroused much controversy throughout the nation and Arcadia. As a project, National Honor Society presented to the entire student body debates on the various presidential candidates. Divided into three teams, the debates were moderated by Bruce Williams and timed by Diane Henderson. Each team consisted of two debaters. Favoring Vice-President Humphry, were Joe Barbieri and Lloyd Zussman. Debating for Mr. Nixon were Shauri Greene and Steve Potuzak. Backing Mr. Wallace were Alex Larson and Glen Butt.

Joe Barbieri refers to crime statistics to support his debate

Carefully timing and moderating each speaker's presentation, Diane Henderson and Bruce Williams carry out their responsibilities as Alex Larson presents his argument for Mr. Wallace

AFS Assembly Inspiring

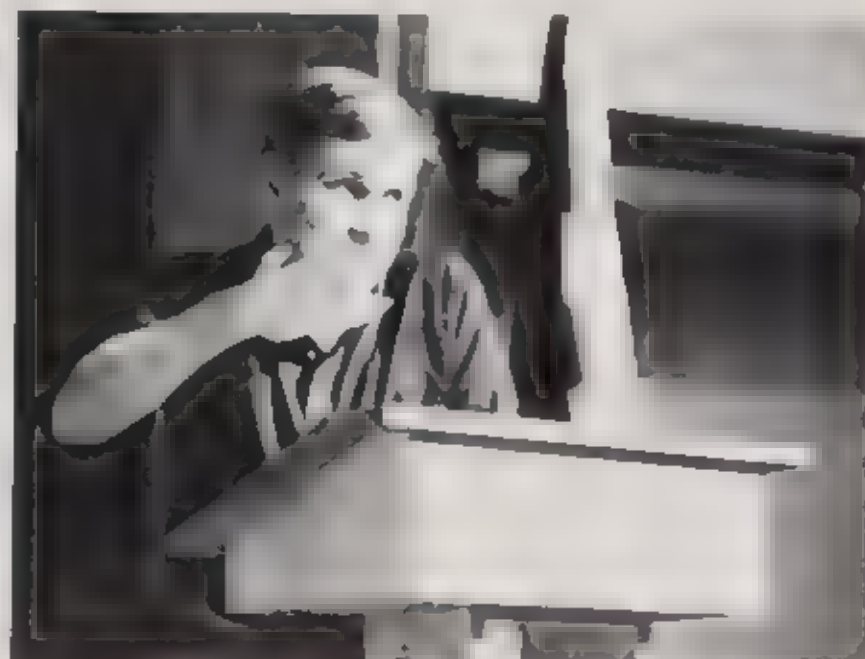

ASSEMBLIES ARE AN important and inspiring part of the Student Life. Through the American Field Service Assembly, Arcadians can become acquainted with their foreign exchange students. Learning to live with understanding and friendship with our neighbors from abroad is the purpose of AFS. This year Arcadia is privileged to have three Sandra Gola, Pentti Sainio and Johanna Lo Klosters. Arcadia also sent a senior girl, Dianne Henderson, to Japan. Not shown in the pictures is Johanna Klosters from Holland.

Kelly Olglesby helps Frank Fonderis to the side after being wounded from a shotgun

"Dear Me" Rises To Success

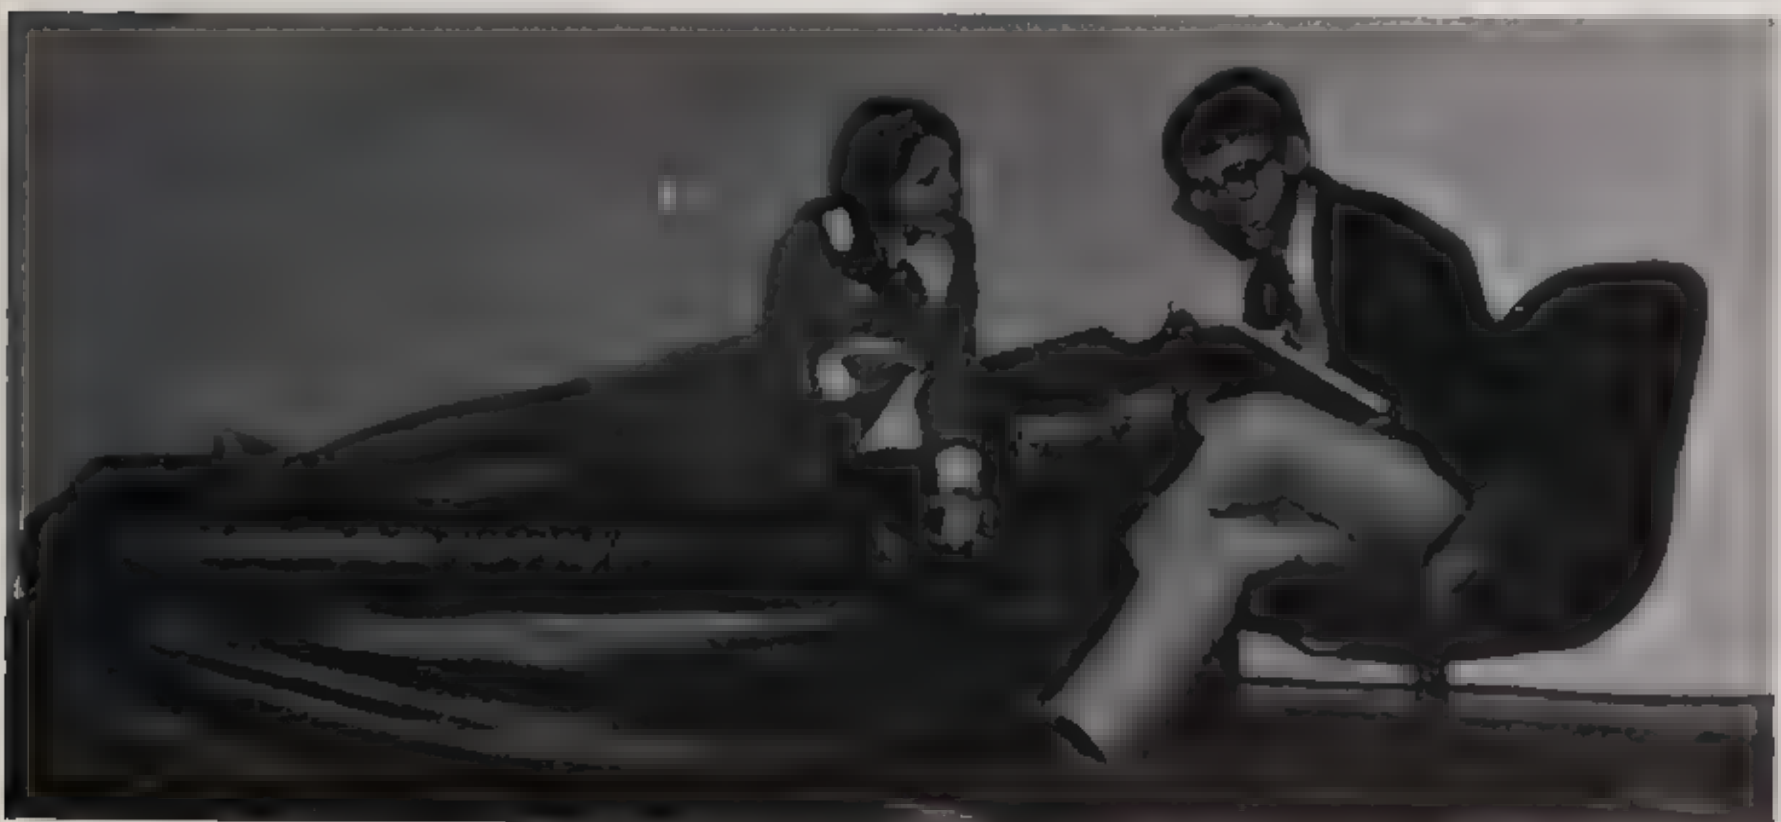

The Fine Arts Department of Arcadia High School staged another successful production with "Dear Me, The Sky Is Falling". After months of hard work the cast and crew had stage directions straight and roles polished. Running for two consecutive nights the cast started off on a season of smash hits.

“Fantasticks” Follow Successful Pattern

The cast, crew, and members of Thespians are ready for any helpful suggestions as they meet to discuss the play

ARCADIA CONTINUED THE year's great productions when the Fine Arts Department staged the "Fantasticks", done entirely in "the round." The story concerned a Boy and Girl who lived next door to each other. Their fathers tried reverse psychology by building a wall between them, thinking that the children would try harder to meet each other. It worked, but in the second act, their romance died out and they faced life realistically. The play, which ran for three consecutive nights, turned out to be not entertaining as well as educational, but thought provoking

A DECADE OF GROWTH in SPORTSMANSHIP

Happiness Is A Victorious Team; 6-4

Head Coach Anderson

Line Coach Powell

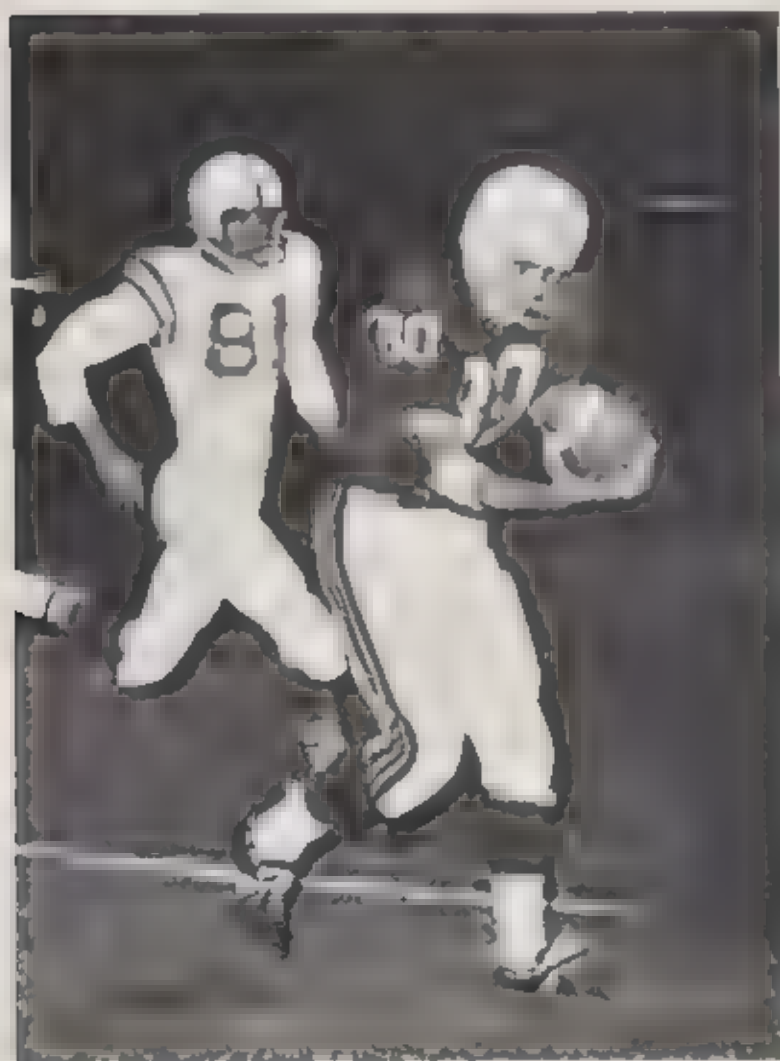

Back Coach Curtis

DOWN! SET! HUT ONE! HUT TWO! HUT THREE! And, the mighty Titans were off to their 6-4 winning season. Arcadia's lack of size and strength labeled them in all pre-season accounts as the "Mini Titans" and were unanimously left off the ranking charts. Their early conquests with Scottsdale and Coronado appeared to validate these aspects. However, under the direction of Coach "Bennie's" programmed plays, Coach Powell's super or lineman ability and Coach Curtis' back-field knowledge our Varsity Gridders picked up their feet and headed for the goal with determination. It was this determination, spirit and cooperative team work which abeled them to defeat such highly ranked teams as Westwood, Tempe, and Camelback. In the Titan ten year history, 6 of them were winning ('61, '63, '64, '68, '69). '62, '65 and '67 proved unsuccessful. Only 1960 was a 4-4 tying season. Through the participation in all available athletics, the teammates acquired an invaluable sense of good sportsmanship, skill, and coordination. To all members of all athletics, WE ARE PROUD OF YOU! Next year begins another decade of growth for Arcadia's Athletic Department and a new generation of success and failures. Whatever the case, to know that it is how you play the game is, in itself, winning

Titans Prevail! Camelback Falls, 22-0

ARCADIA PROVED THEIR ability by running all over the Camelback team. Speed gave Titans the edge over Spartans size the result 22-0. Junior halfback, Dave Flowers, dashed 69 yards to score in the first 25 seconds of the game. Ken Johnson, Senior, dazed the Spartans with a 16 yard run for the second tally. Eric Hamilton, Junior, tackled a Spartan in the end zone for a safety. Flowers scored again with a 37 yard punt return.

THE McCLINTOCK CHARGERS marked the Varsity's second victory of the season by a close 20-19 margin. In the game, quarter back, Kenny Johnson, completed 12 of 19 passes for 201 yards. Equally successful battle with the Coronado Dons taking a 21-14 defeat. Mark Pihl and Bill Albright were the scorers of the game, both in the first half to take a 14-0 lead only to be flanked by two Don touchdowns in the second half.

Titans Ambush Westwood Warriors

ARCADIA PLAYED A tough, hard-nosed football game against the Westwood Warriors. The first quarter was scoreless but Arcadia drove 62 yards for a TD. Flowers, Johnson, and Henschen each gained yardage for the Titans.

ARCADIA WAS IN the limelight in the second half. A 28 yard field goal by Riley pushed Arcadia in the lead. Titans held the Warriors on their downs and took over. Mark Pihl's 15 yard TD coasted Arcadia with a 17-19 lead.

Beavers Hit Titans, 12-7; Yuma Falls

ARCADIA DROPPED A heartbreaker due to injuries as the Scottsdale Beavers downed us 12-7. Eric Hamilton and Jim Kautenberger harried the Beavers all night with little success. Titan's No. 1 passer, Ken Johnson, was caught off guard as he completed 8 out of 18 passes for only 87 yds. This was the third consecutive loss to the Beavers. Behind the aggressive blocking of the Titan linemen, they were propelled to victory over the Yuma Criminals, 26-0. In the fourth quarter, Senior fullback Mike Cannon attempted a 5 yd. dash over the goal only to be brought down by a Crim. It was Junior Phil McCammon who carried the ball across for the final TD of the game. Linemen Rob Schmidt, Jeff Willmeng, Jim Hitchcock and Larry Young did exceptionally well in preventing the Crims advancement. After this second win over the Crims -- there is no jinx!

SAGUARO STUNNED THE Titans, 26-6, to even both teams' conference records at 1-1. The Titan offense stopped short early and found it virtually impossible to move against the Cats, leaving the second half all Saguaros. The Cats' scores came in rapid succession after Phil Taber recovered a fumbled Cat punt at the Arcadia 40, evening the score. Just 5 plays later the Cats scored twice more before the clock, darkening Arcadia's chances of a conference championship.

Rabbits Jump Titans-39-32

ARCADIA WAS OUSTED from title contention after Mesa dropped a big one on the Titans. In a frantic shuffle, the Jackrabbits pushed their way to six touchdowns, the last a spectacular 56 yard punt return by Bernie Alvarez. After Mesa scored first on a seven yard run, the Titans struggled back for two touchdowns and their only lead of the night; shortly after the Jackrabbits took over again with a 32-18 lead at the end of the third. The final Titan score was to no advantage, and the Rabbits sailed on to a 39-32 win.

THE TITANS LIFTED past the Tempe Buffaloes on McClintock's rain-soaked field to a 13-7 victory. Quarterbacks Johnson and Mark Sollenberger managed to connect on 14 of 25 passes for 160 yards. In the first half, the Titans passed for 89 yards and a single score, while carrying the ball eight times for 53 yards. The second score came late in the third quarter. The combined efforts of Sollenberger and Bill Albright on a 45 yard pass set up Arcadia's winning score. A penalty took the ball down to the Buff's four yard line, and Phil McCammon chewed up the remainder of turf on the next play, putting the Titans 13-0 in front. The Buffaloes rallied in the fourth to score on a succession of passes making the score 13-7 with 2:12 remaining.

And that they did, by their high scoring 47-34 victory over the Cougs. Bill Albright, Ted Allen, and Dave Flowers were responsible for the TD's. Quarterback, Ken Johnson, rallied the Cougars' defense for successfully completing 13 out of 18 passes. JV Looks To Varsity Future

THIS YEAR'S JUNIOR Varsity team provided plenty of high hopes for an outstanding Varsity squad in the coming year. Finishing the season with a rousing 8-2 record, Coach Anselmo attributes it to "the strict team work and confidence." Hesitant to review any star players, Coaches Anselmo and Meyer feel the boys deserve recognition for their efforts on the gridiron this year. In losing only to Camelback and Mesa, it is evident they worked as a team. Of course, the Juniors need the recognition they so deserve for providing not only excitement at their own games, but as the "Hamburger Squad," they made it a little easier for the Varsity to face their weekly foes. Coaches Lou Hallman and Terry Coyle lead the Juniors to a 3-2 season. Of course, also not to be forgotten in their efforts, are the products of undergoing rough scrimmages, mighty attacks, and many a fall — the Freshmen. Coaches Finkbine and Schifino were granted a 4-4-1 season for their time and efforts.

AFTER THE GAME, SEASON

The tension and strain has ended
Forty eight minutes in our life
Has passed into recollection.
We are exhausted

Yet, we are joyous,
Tired hands and feet
And muscles strained
(Beyond the definition of sport)
Were not in vain

As I leave the arena
Dressed in grey, blue or black
Like any normal business man,
On the now shadowed hard wood
Of the basketball court
And the empty seats where,
Not long before,
The crowd yelled on and on and on
And a smile creeps slowly past my mouth

Titans Tighten Up Two Win; Two Loss

THE FIRST TIP OFF of the 1968-'69 basketball season in the Arcadia Stadium against the Maryvale Panthers. Bill Brown jumped for the tip-off, thus beginning the successful season for the Titans. Even though the first game stunned Arcadia, 62-44, the Titans came back to stomp out Coronado, 72-55, and the powerful McClintock Chargers, 82-69. The winning streak boosted the fighting spirit of the team for the tough game with the Westwood Warriors. After putting the pressure on the Warriors in the first half, the Titans stumbled over the seventh ranked team, 50-45. These first four games demonstrated the power of our Titans to defeat others in the fast-moving battle of the boards.

Titans Win Over Beavers; Dons

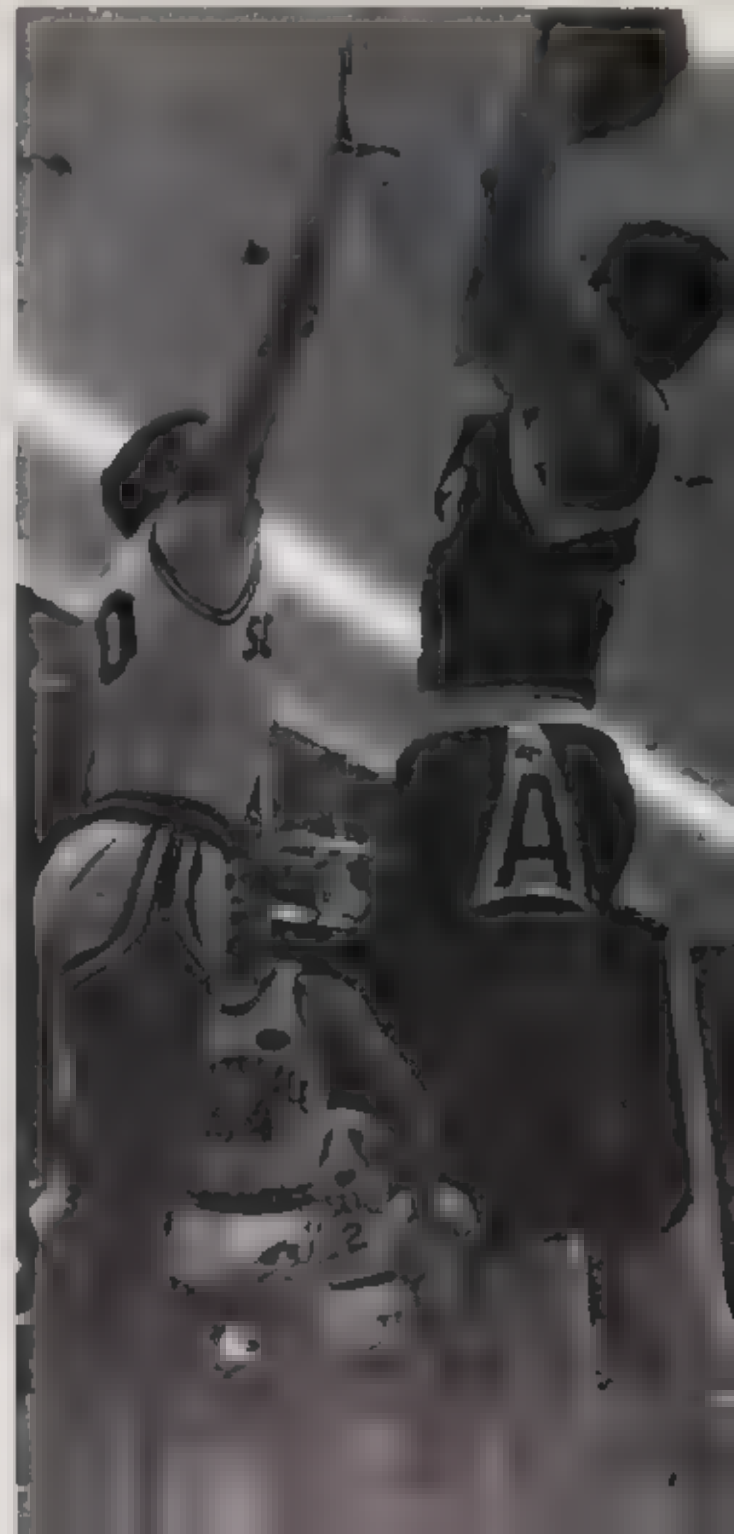

Coronado provides tough competition for control of the boards

ARCADIA PULLED IN two more wins over cross-town rivals Scottsdale and Coronado. In the battle with the Beavers, the Titans outdid themselves, winning 73-54. Senior Dan Montesano led the scoring with 34, a new career high, with teammate Craig Berger close behind canning 19. The Dons were slightly less submissive, allowing a score of 68-60 in this second Arcadia victory over Coronado. Again, Dan Montesano was high scorer with 20 points, while Craig Berger and John Adler supported with 10 points a piece. Coach Lou Hallman looks ahead to the prospects of a State title for our team. Although the majority of the team are juniors, the title is a likely ambition. Upcoming victories can only be the decisive factor for them.

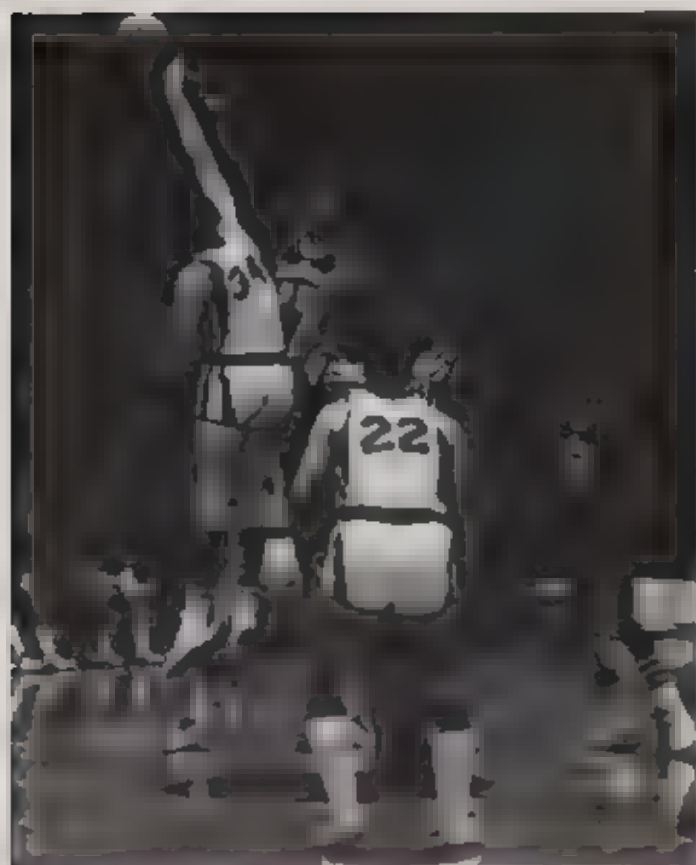

Scottsdale stands bewildered as Titans score 73-54

THREE MORE GAMES add experience to the Titan line-up. Scottsdale was the first of two wins. Beaver teamwork and guarding put pressure on Arcadia for the entire first half. The quick five soon took over after half, and with ten straight points secured the lead which Arcadia held to the finish, final score 50-46. Even with an encouraging start, Arcadia bowed to the Kofa Kings, 62-54. Fouls put two starters to the bench and covered over the others. Casa Grande took an early lead but when Arcadia started to burn, shooting couldn't be surpassed from any area of the courts. Accuracy gave Titans the advantage, 53-43.

Titan practice sessions lead to their defeat of the Yuma Criminals, 69-58. The entire team hit the Crims full force in both halves. Saguaro took a quick advantage in the first period to hand the Titans the crying towel 51-37. Arcadia's surprise rally couldn't even up to the Sabercats. When the buzzer at the Tempe game sounded, Arcadia stood as the first of 14 teams to defeat the Buffaloes 41-40. The score was evened up at the end of each quarter, with each team member displaying outstanding capabilities.

Bill Brown adds two points to 69 total over Yuma.

Bunnies And Kitties No Match For Titans

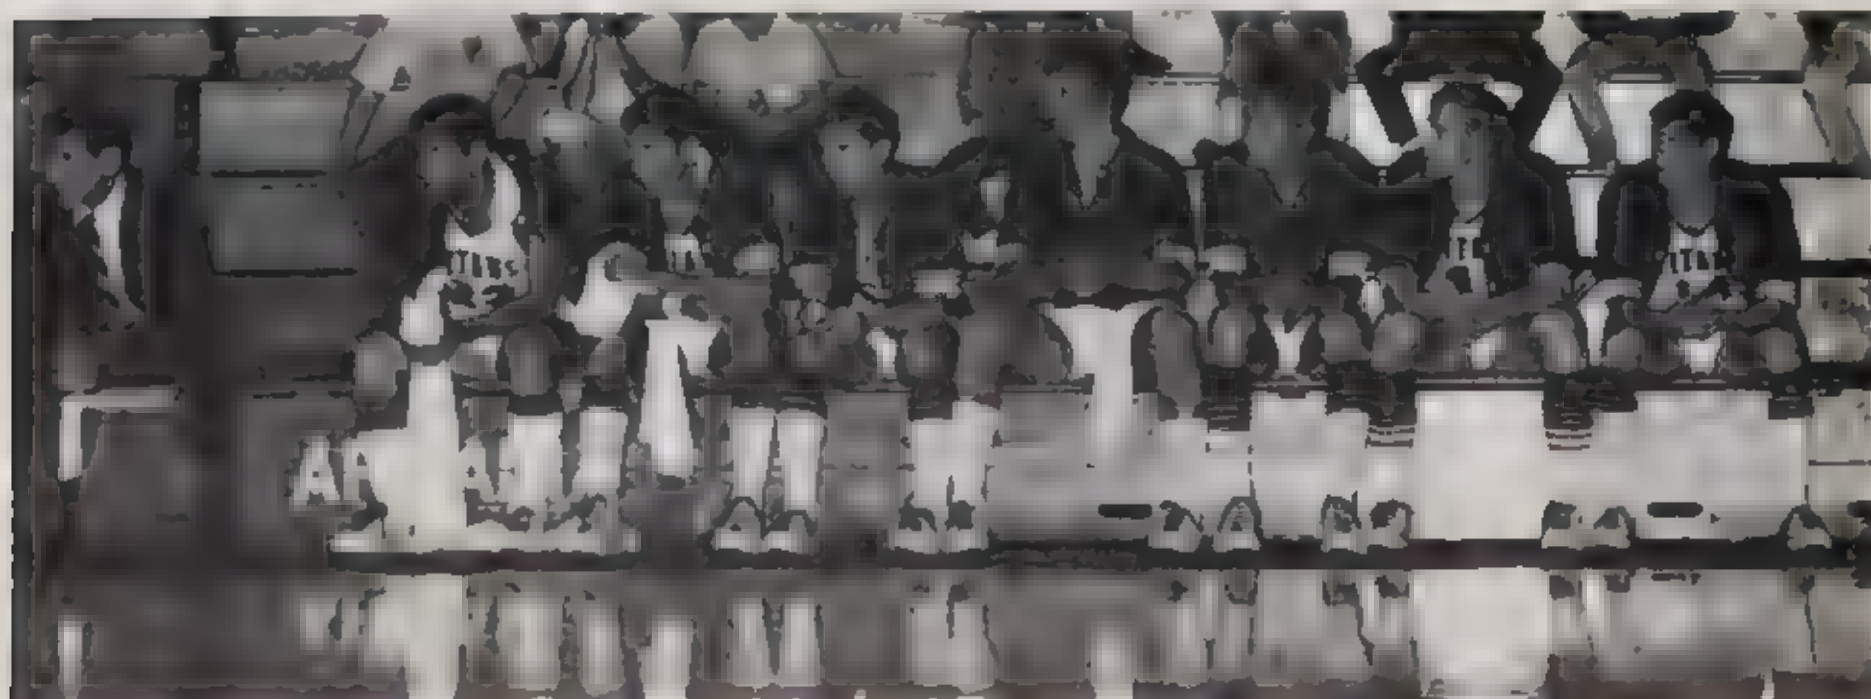

The Basketball -- symbol of practice, competition, and accomplishment

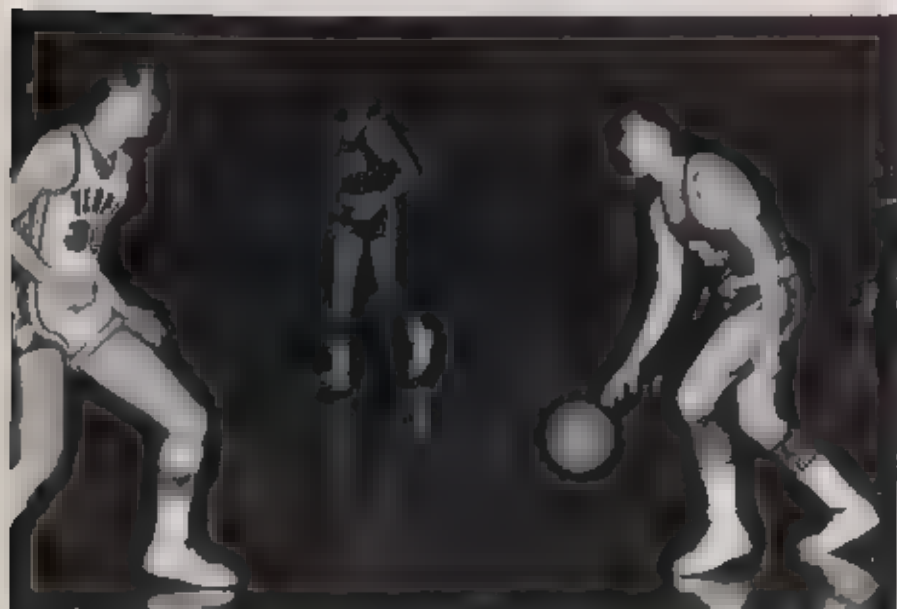

THOUGH THE TITAN Cagers were able to slip by both the Mesa Jackrabbits and the Casa Grande Cougars, the Tempe Buffaloes stopped them in their tracks with a strong 10 point lead after the game. The final bell put Tempe ahead 70-60. The Casa Grande meet came a bit close, with the Titans downing them 56-51. Now, on the other hand, what Coach Hallman's boys did to Mesa was a sight to behold. Although most of the Titans showed some cold shooting, halftime brought them back to beat the Bunnies 81-61.

Titans Finish In Top Six

Dandy Don decisively dribbles down court

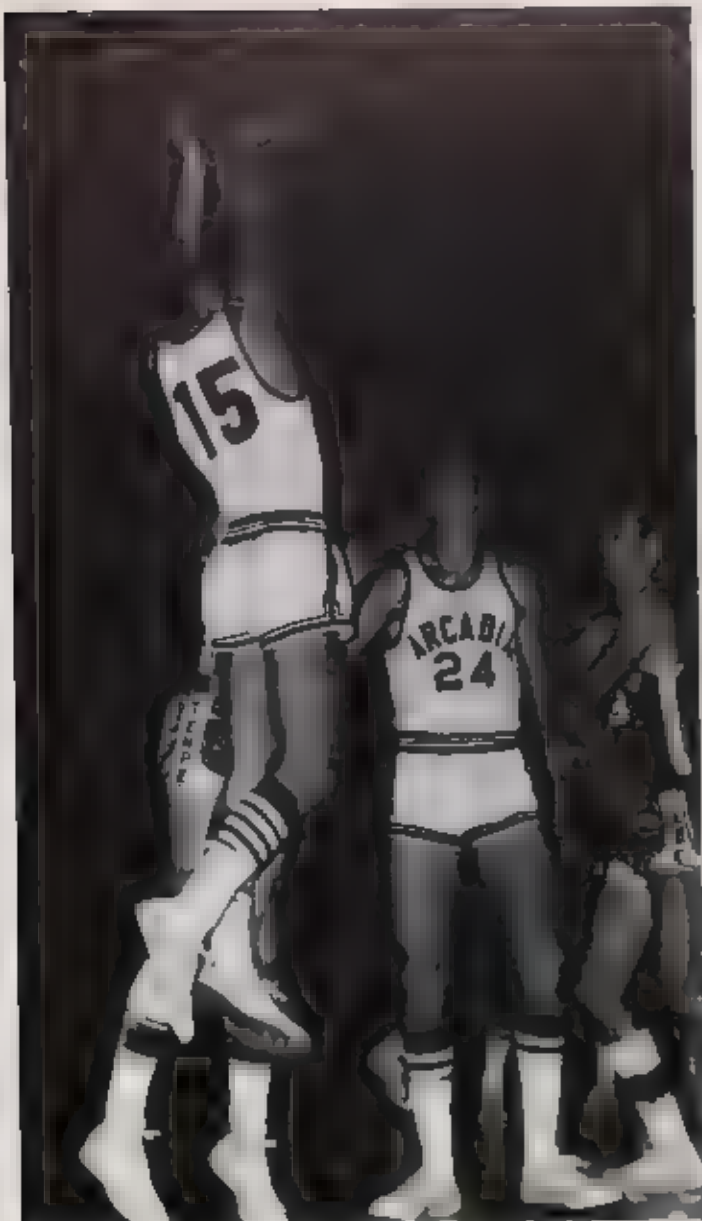

TITANS CAME FROM behind to dominate the Yuma Criminals, 68-63. After displaying strong offense and superior defense against the Crims a week later, Mesa turned the tables and was the victor, at 77-59. Arcadia burning from defeat, was determined to play in the division play-offs. The tense game produced excellent action for the spectators as well as the teams. Decisive baskets in the last few minutes gave the Titans the edge to victory, 64-63. The first game of the divisions was against favored Westwood. The Titans, however, scalped the Warriors, 66-63. Coming from behind, two games in a row, Arcadia handed its 2nd major upset of the season. The following night ended the Titans hope for State. Tempe's zest and defense turned the Titans cold from a hot start. Ending with a season record of 14-8, Arcadia finished in one of the top 6 positions in the state.

JV Cagers Top Dogs: Win City; League Titles

ARCADIA'S J.V. BASKETBALL team, composed solely of sophomores, chalked up a respectable 17-3 season's record. Under the direction of Coach Terry Coyle, the cagers fought their way to become the champs in city competition and tying with Tempe for top league competition. Jim Runge was named "most valuable player" with a 16.5 point per game average. He also shared the percentage level with Jay Pringle at 49% from the field. High rebounder was Jim Donker who also tied with Paul Montesano for assist lead. As a team, the J.V.'s averaged 51.2 points per game as opposed to their opponents' 41.3.

Frosh Cagers End With 11-3 Mark

THIS YEAR'S FRESHMAN team, led by Coaches Brad Morris and Frank Armstrong wound up a successful season, ending 11-3. Top performers on the Frosh "A" team proved to be Rob Millsop, team captain and most valuable player; DeRay Poulino and Scott Lyftogt -- these providing a promising foundation for next year's JV team. The "B" team, led by John Albright, started out slowly, but won 3 out of their last four games, and ended with a 5-6 record. "We were most pleased with the overall improvement of the team," said Coach Morris. Their records testify to that fact. JV Coach Anselmo has had his eyes opened all season for the future All-Staters and All-City men. Every year, the Freshmen gain a particular need of accomplishment, perhaps to "show that they, too can do it!" And this year, as in all previous years, they have proved their power to perform.

Grapplers' Season Ends 4-6

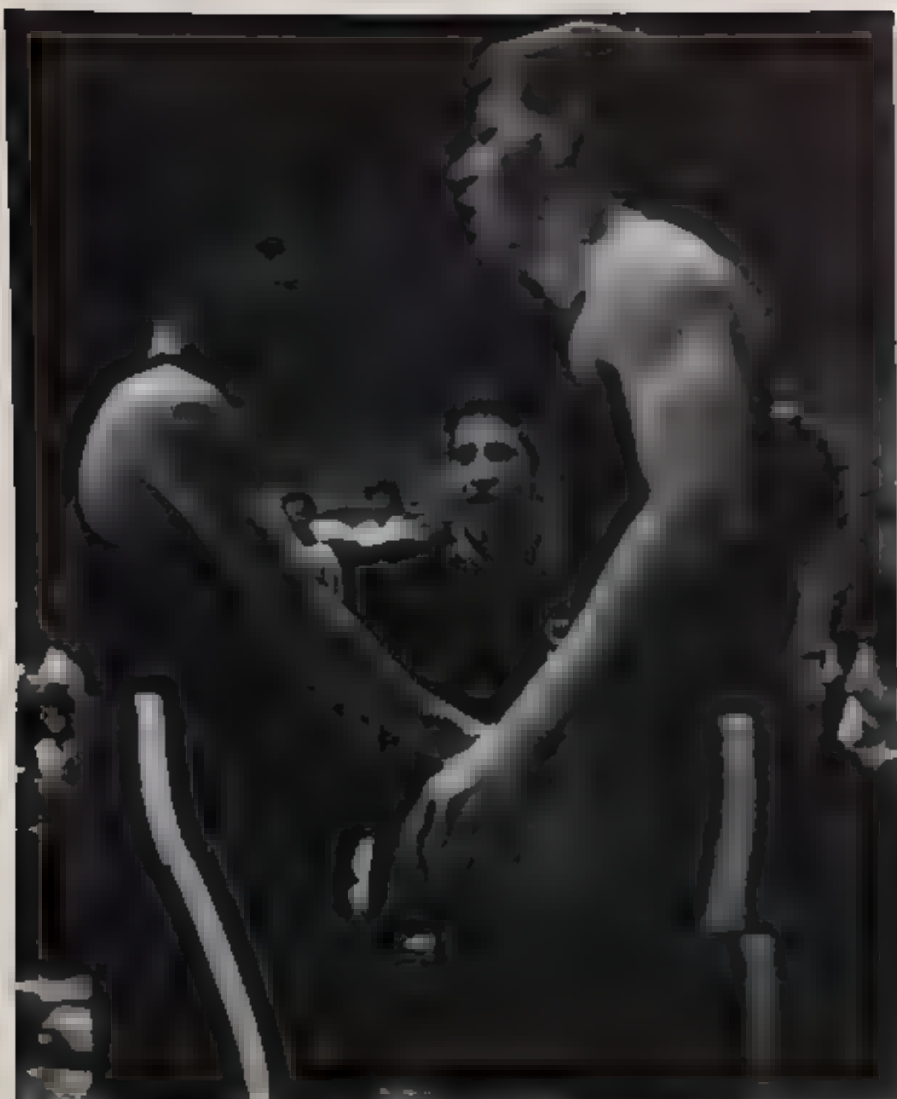

Coaches Pat Curtis and Gary Powell hard at work

ARCADIA'S WRESTLERS EMERGED this year with a 4-6 record in their dual season. On the individual level, however, Arcadia grapplers fared much better. This year's outstanding senior lettermen were undoubtedly Doug Kelly and Larry Young. Doug more than equalled his last year's unblemished record of 13-0 with this year's 14-1 scoring. Larry Young heralded a 13-1-2 season, placing first in the district tournament. Outstanding underclassmen proved to be Jim Kass and Jim Lake, both sophomores, each have excellent season records. At the State AAU meet (separate from state final competition), both Kelly and Young placed first and third respectively.

THE TITAN TRACKMEN opened their season with a close 64-62 rally over the Scottsdale Beavers. Though the Titans were predicted to swamp the Beavers, an unexpected runner took most of the points for Scottsdale. The situation was a bit tense until the shot put, discus and pole vaulting events. Sophomore Skip Howard gave the outstanding discus throw of the day with his 161'10-1/2. Backing him in second and third place were veteran Rob MacMullin and newcomer Rob Schmidt. Senior MacMullin, defending a State Championship in the shot, took first (56'3") and was followed by teammates Schmidt and Ken Johnson. Bob Lehman soared over the pole at 12'6" to take first in that event. Again, he was followed by Joe Reynolds and Roy Slack. Speedy Steve Pebler took his wins in both the 880 and mile runs. Another successful runner, Mike Philipps followed Pebler. Coach Anselmo anticipates a winning season and is looking forward to sending more than ever men to State. Other teams may be good, but the Titans stand above them.

Gymnasts Display Talents

AS THE FIRST meet for the gymnastic team, we could call it an experience situation. Chuck McMahon's boys were downed by Saguaro of Tucson; 103 5-97 6. Derrick Naar was the only one to secure first places in any events. His skills were displayed on the high bar and on his own in the free exercise event. Veteran Jack King, was overly excited about the match and his enthusiasm set him in 3rd place on the parallel bars, 4th on the rings, 5th in the free exercise event and 6th on the side horse. Allan Ruby took second on the rings. Because this was the first meet for many of the boys, the veterans feel it was just the excitement and tense reactions that held them back. The freshmen seem to have the edge this year with outstanding gym men Jim Hood, Tom Redinger, and Steve Faller.

Cougars Not Good Enough!

IN THEIR FIRST game of the season, Arcadia's baseball team really socked it to 'em! To the Casa Grande Cougars, that is; 3-1. Runs were scored by Seniors Dan Montezano (1) and Soney Orth (2), with Mike Cannon driving in two and Junior Mark Woodward the other. Bruce Brown's powerful pitching earned the win by scattering four hits in separate innings, while subduing nine batters. His support came from shortstop, Mike Cannon and Soney Orth. Right fielder Rick Falls teamed up with Bruce Brown in the fourth inning to strike out Cougar opponent. This first win for the Titans is only a beginning.

And that ended soon with runs by both Junior Don Schlander and Senior Dan Montesano. Mike Cannon's homer set the ball's rolling and the AHS batmen drove to home!

Encouraging Year For Male Netters

Younger half of Farmer team looks to a successful tennis future

COACH SAM ODELL feels that the '69 season holds the State Championship for the Varsity boys tennis team. The top five, Senior Bart Bentley, Juniors Reed Neslage and Bill Judson, Sophomore Dan Farmer, and Freshman Don Grossmiller lead the team to their 7-0 victories over Kofa and Yuma, and helped finish off Chandler 5-2. The team was without the assistance of the Byron boys, John and Bill, due to their twin admiration of crutches, however, both netters plan on returning to the courts soon. Saguaro, Mesa, and Scottsdale seem to be the toughest competition in store this season, although Coach Odell is convinced that Catalina will be competition in the State Tourney. All in all, it looks like a good year for the boys.

Guinther's Girls Groove

THE 1968-1969 GIRLS' Varsity and JV tennis team included Linda Farmer, Mary Lou Walmsley, Betsy Garland, Ann Hutton, Jan Watts, Jan Warne, Nancy Englebretson, Mary Kay Williams, Linda Ruprecht, Lori Felding, Debbie Dimes, and Sue Hendricks. Nine of 14 matches have been played with the results, 6-3.

Freshman Net Play Successful

DR. GUINHER HAS tentatively put Mary Lou Walmsley in first position on the girls side. With a total of twelve girls on the team, Dr. Guinther said it was a difficult task, but she would not be able to actually determine other notable players until the season opened. Both teams are new to the competitive aspect of Arcadia, but experience will make them Champs!

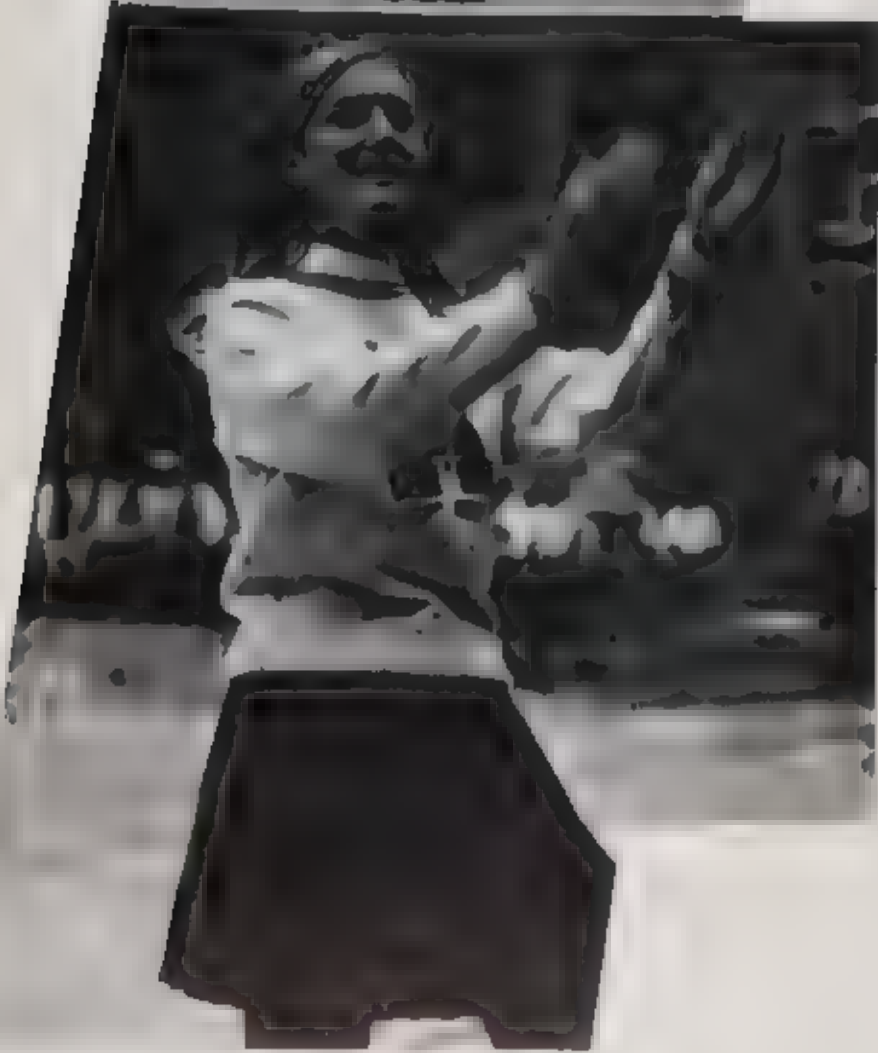

Fresh Girls. **ROW ONE** (l. to r.): Sue Hendricks, Cindi Snyder, Lynn Lockerby, Mary Williams, Jennifer Cherry, and Debbie Dines. **ROW TWO:** Cheryl Stromme, Mary Lou Walmsley, Susan Gangsei, LeeAnne Williams, Jan Shields, and Jan Warner.

PREPARATIONS FOR THE big meets have kept both the Frosh boys and girls tennis teams busy. Though the actual competition does not begin until next fall, it is true that practice makes perfect. Don Grossmiller seems to be number one man for the boys. Last year Don won the Southwestern Tournament in his age group. His experience came early. Other outstanding prospects are Rob Millsop, Jim Washington, Maury Tenner and Jeff Nees.

Fresh Boys. **ROW ONE** (l. to r.): Coach Sam Odell, Art Ambrose, Bill Collins, Maury Tanner, Chuck Teetsel, John Thomas and John Heinrich. **ROW TWO:** Jim Washington, Rob Millsop, Don Grossmiller, Jeff Nees and Fred Datzell.

Girls' League Encourages Girls To Participate

GIRLS' LEAGUE ANNUAL Christmas Prom and Spring fashion show accented their busy year filled with activities. Other yearly projects consisted of: the "Big Sister" program created to introduce freshman girls to Arcadia; acting as guides the first day of school; donating to needy families at Christmas and Thanksgiving, and making pep posters to help create more school spirit. With the help of their sponsor Mrs. Lannello, Girls' League provided service for the school and community and made it possible for all girls to participate in school activities.

In an attempt to raise money for Girl's League's annual Christmas Prom, Rebecca Wallich, Vicki Schwab, and Marsha Brown sold candies during the holidays.

AS A BRANCH OF THE YWCA, Y-Teen s gives the girls a chance to better themselves and the community. During the year they have decorated the circle, and it was a big job. Along with this, they have given parties at the home for retarded teen girls. The girls have also sent packages and cards to the soldiers in Vietnam, and party favors to the Muscular Distrophy fund. The members have also participated in a city-wide fashion show, displaying the latest and modest fashion for girls.

AFS Promotes Universal Unity

Foreign exchange students chat with AFS's Alessandra

AFS proved that originality is the key to success. This year they came up with the First Annual Valegram Sale. It proved quite successful on February 14 when everyone received little messages. Another one of their big activities was the benefit concert performed by the Arcadia Choral. This year's inspiring foreign exchange student was Alessandra Gola from Italy. Alessandra was quite active in AFS, Sigma Beta Chi, and Student Council. It was a great experience for Arcadia to have Alessandra and it was through AFS's hard work and devotion that gave Arcadia this opportunity.

GOODSPORTSMANSHIP AND GOOD citizenship are the goals of the Lettermen. In recognition of athletic achievements, members receive an "A". Every year the Lettermen choose a sweetheart, and this year Dindy Koerner was the lucky girl. Other activities this year were sponsoring the Coaches' game with Saguaro High School, picking grapefruit off of all the trees on campus, and sponsoring a family for Christmas. Each year new lettermen are inducted at the spring sports assembly in the gym. Coach Anderson is sponsor.

Practice for the exciting Sigma Delta game

SIGMA BETA CHI is a campus girls service club of Arcadia. Throughout the year, Sigma has done many projects, both for the school and for the community. During the Christmas season, the girls made various decorations and with them decorated the library. They have also given parties for the patients of the Arizona State Hospital. Sigma is ranked successful for another consecutive year.

KEY CLUB IS a boy's service organization whose purpose is to build the home, school and community, in preparing themselves for useful citizenship. Key Club members gain experience in living and working together for a common goal. Every year Key Club has a Peanut Brittle sale, Easter egg hunt, and an Ugly Man Contest. This year there was also an Ugly Woman Contest, and the winners of both contests were Tim Wagoner and Debbie Larson. Key Club members also made the famous "Beaver Eater", provided ushering service at the Baccalaureate and Graduation, and elected Beth Johnson as their Sweetheart for 1969.

Art Club Works For Creativity

Ann Vance and Karen Jonas plaster a gigantic pep poster that Art Club members constructed

ARCADIA'S ART CLUB worked diligently with the help of their sponsor Mrs. Burrel informing their fellow Titans of the forthcoming events. Their annual activities consisted of making posters for most of the musicals, designing the Twirp week talent show programs, and constructing and hanging pep posters. Members of Art Club also sold felt pens and mini-posters to boost their treasury

Arcadian Informs Students

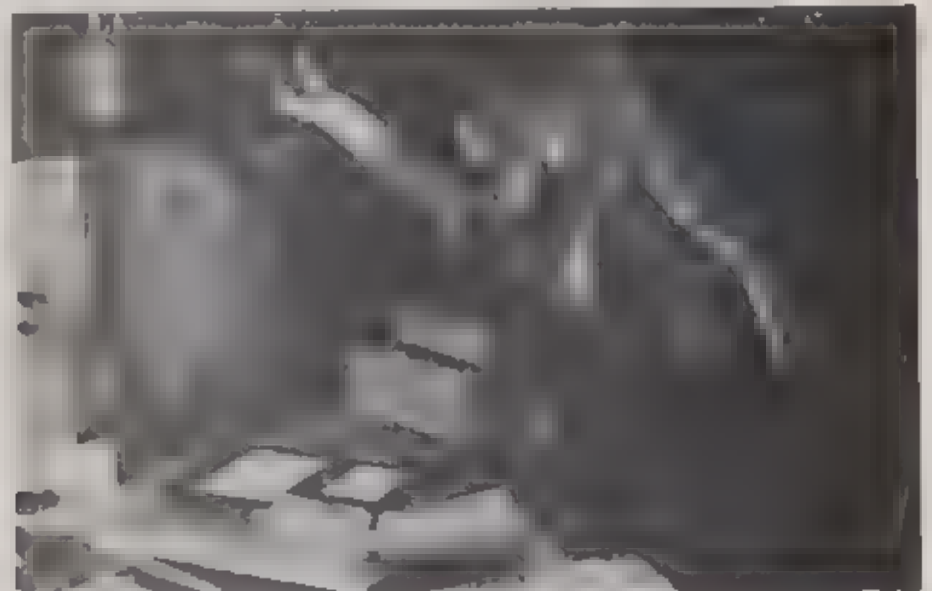

A busy day for the Arcadian Staff

THE BI-MONTHLY Arcadian covers campus activities from the crowning of royalty to the latest game. The twenty-one member staff take turns covering news worthy events and getting the latest hot stories even

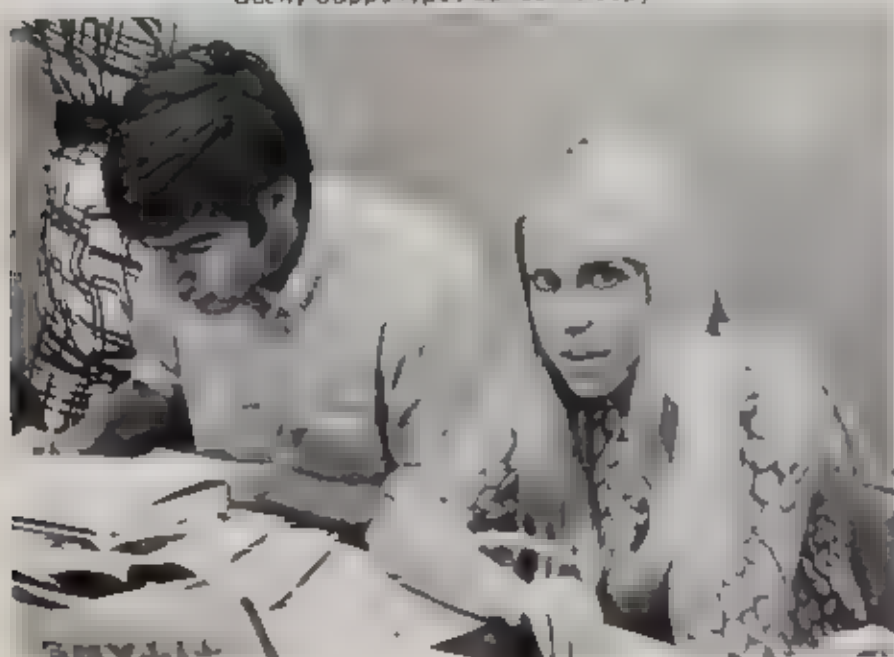

though they each have their own sections to work on. By working together the staff produces a competent journalistic paper.

ENTHUSIASM AND INTEREST in school activities were displayed by Arcadia's cheerleaders during this past decade. This year they promoted more spirit than ever before in leading our team to victory after victory. The girls practiced everyday during fourth hour and after school.

Vitality To School Activities

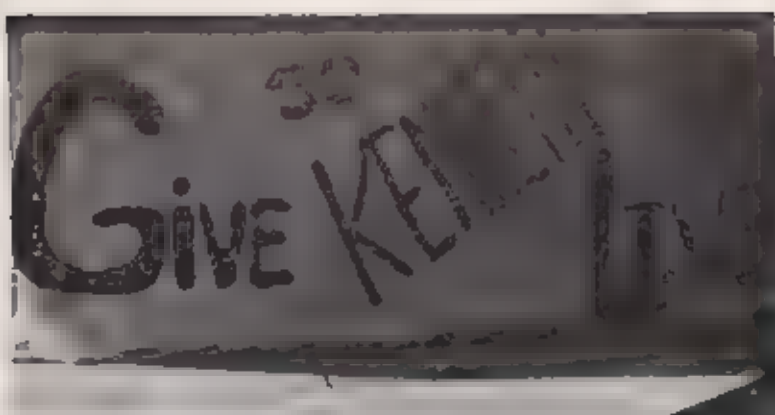

Pom Pom girls say "hello"!

THIS YEAR'S pom pom squad was one of the most spirited that Arcadia has had. These girls performed at all halftime activities for football games and home basketball games. They worked together creating new routines with the help of their sponsor, Miss Cheryl Capps.

Student Council Fundamental To Titan Life

THE STUDENT COUNCIL is the main organizer for most of the on-campus projects. It consists of the Student Body officers, officers from each class, and a boy and girl representative from each class. This hard working organization was planned and continues to work with the student body in mind. Projects of the year included planning the annual Homecoming festivities and raising money for the Kenneth Love Fund, which was city-wide project. Student Council has had a full and active year.

Officers John Trent, Boy Representative, Morrie Murphy, secretary, Gary Himes, Vice President, Sandy Williams, Treasurer, Jeff

Trent, President, Connie Stephenson, Girl Representative, and organize the Junior class in their many activities.

RETURNING THIS YEAR as upperclassmen, the Junior Class of 1970 displayed much enthusiasm and eagerly faced new responsibilities. Academically the Juniors looked forward to planning for college while socially preparing themselves for adulthood. Money was raised for class activities by numerous candy and bake sales. Twirp Week was sponsored by

the Juniors along with the Junior-Senior Prom. The theme for the Junior homecoming display (which won second place) was "The Old Lady In The Football". All of these activities and many more have made the Class of 1970 one of the most outstanding Junior classes in Arcadia's history.

Byron Heads Sophomore Class

Sophomore class officers (from left) Patti Hawkins, Vice President B I Byron President, Betsy Garland, Girl Representative

Marty Bentley, Secretary, Jeff Vance, Boy Representative and Judy LeClair, Treasurer

Upon returning from a busy summer, the class of 1971 eagerly faced their second year at Arcadia. Helping out with student activities they painted posters, held car washes, and sponsored an after game dance at which Jim Hill was crowned Delta Darling. The Sophomores greatly boosted their class spirit by winning first place in the Homecoming displays. Their theme was "Peter, Peter Pumpkin Eater." An-

other of their activities was selling Titan Nties to the student body.

Their Rapid Red fared well as the football season came to a close with an 8-2 record. The Sophomore class had an active, successful year and proved themselves worthy of advancing to upper class status.

Frosh Have Successful

The Freshman class officers are: (from left) George McMullan, vice president, LeeAnne Williams, secretary, Bob Kite, boy representative

Lisa Murphy, girl representative; Paul Vogen, president and Lynn Lockerby treasurer

DESPITE MIXED FEELINGS of awe and confusion, the Class of 1972 made it through their first year of high school. Unfortunately for most freshmen, the unique architecture of Arcadia results in a mild loss of orientation for newcomers. Also, to the dismay of the freshmen, the mighty and all-knowing seniors took advantage of every opportunity to let them know who's boss.

Although the freshman football team suffered a few setbacks, they broke even with a 4-4-1 record for this season. After many hours of hard work and cooperation,

the Frosh Homecoming float was completed and entitled "Humpty Dumpty Sat on a Wall."

Academically the Freshman Class fared well. A consistently high number of Frosh have appeared on the Honor Roll and Principals List. Many of them also participated in drama productions and in Chorus.

Arcadia's Freshman Class of 1972 discovered many new worlds this year, and hopes to discover many more in the years ahead.

A DECADE OF GROWTH IN GUIDANCE

Dr. E. G. Burnkrant
Superintendent of Schools

Board of Education Serves School

THE SCOTTSDALE SCHOOL Board is composed of four men and one woman. These dedicated members devote their time and energy to supervise the elementary and high schools of the Scottsdale school system. The various duties of this job include planning the budget, determining school policies, and endorsing curriculum changes. The Board members are well known for their worthwhile efforts in service to the community and their sincere wish to improve the school system and give each student the opportunity for a good education.

Dedicated Men Supervise Arcadia High School

Dr. Jackson Drake

THREE VERY DEDICATED men are responsible for the supervision of Arcadia High School. Principal, Dr. Jackson Drake and two assistant principals, Mr. Noel Farris and Mr. Leonard Spooner, are efficient in seeing that all phases of the school are run smoothly and efficiently. The students at Arcadia are very proud of their principal. He is devoted to his work, to the school, and is on a more personal basis with the students. Mr. Leonard Spooner is concerned with the classroom schedule and educational phase of the administrative work. Mr. Noel Farris, new this year to Arcadia, besides having the less pleasant task of discipline is also in charge of student activities. These men work closely with the Student Council in order to make a better bridge between the students. We can attribute much of the good reputation of Arcadia High School to the hard work of these three men.

Mr. Noel Farris

Mr. Leonard Spooner

English Stressed In

BECAUSE OF THE great importance on literature and grammar today, four years of English are required for graduation. In order that each student may gain the maximum advantage and understanding from the course, remedial, regular, and advanced placement is used. These courses are designed not only to teach the student proficiency in grammar and literature, but also to make each student aware of the vast enjoyment that can be gained from this subject. Another portion of English is Speech. This course teaches students the correct and effective techniques of public speaking. Also, the Journalism Department at Arcadia, which publishes a newspaper and a yearbook, teaches students the principles and skills of good journalism.

Science Involved With World Around Us

TO STIMULATE AN interest in basic principles of Science and an appreciation of all phases of life is the primary goal of the Science department. A knowledge of Science is useful for making future decisions in most occupations which often rely on scientific techniques. In many classes, such activities as lab experiments, practical examinations, films, and collections break up the monotonous classroom routine. Physical Science acquaints students with the fundamentals of Science as an introduction to the field, while Biology offers a key to the understanding of the everyday plant and animal life students are brought into contact with.

Social Science Awakens Students

Mr. Pentfield discusses the Civil War with his class

A THOROUGH STUDY in the subject of Social Science is becoming increasingly important in our world today. In American Government basic procedures and operations of the American Governmental system are revealed to students. Economics is the study of the complex business world. American History, a class solely for Juniors, acquaints the students with the origin and history of America. World Geography is now a required course for Freshmen and it is the study of the world's nationalities and their origin and environment. Along with these courses, other related fields of study are offered such as Contemporary World Affairs and World History. The Social Sciences awaken many students to the intricate organization of our way of life and the government which makes this life possible. It provides the opportunity for Arcadia's students to look beyond personal concerns and life in Phoenix, providing instead, a more thorough understanding of the country as a whole.

Foreign Languages Promote Understanding

THE WORLD SEEMS to be shrinking more and more each year because of the great advances in science, communications, and transportation. Because of this, there is an increasing importance in the understanding of foreign languages. Mastering the techniques imperative for the fluent usage and understanding of the language is an enormous task. Arcadia offers courses in German, Latin, Spanish and French. The first and second years acquaint the students with the grammatics and mechanics of the language. The third and fourth years are involved with prominent contemporary works, conversation, through the review of grammar, discussion groups, and literature.

MATHEMATICS IS A subject of endless discovery to man. Being one of the basic elements of science it plays a very large part in today's world. Courses offered range from basic math, Algebra I and II, trigonometry, and calculus. Students enjoy an interest in math not only for a credit, but for the satisfaction which comes from working on a problem and meeting the challenge of trying to solve it.

Skill In Business Is Important

A VARIETY OF business courses are offered at Arcadia. A knowledge in business is becoming more important. There are so many phases of business that an ability to adapt to each course is an important skill. General Business, Bookkeeping, Shorthand, Business Law and Principles, Typing and Business Machines are all courses designed to develop office proficiency. For those students planning to make business their career the beneficial Distributive Education class is open to Seniors. Here the students work directly with the public. The business teachers are not only devoted to their work but also eager to help all students interested in a business career.

Fine Arts Brighten School Life

Mr. Reginald Brooks

THE FINE ARTS Department at Arcadia enjoys a many and varied number of courses. The department, headed by Mr. Brooks, recruits artistic, dramatic, and musical talent. This department is responsible for choral concerts, band performances, modern abstracts, hilarious comedies, and a great number of costumes. These courses allow students to break away from their regular class routine and pursue their talents in each individual field. Constant training and a great deal of work go into each facet of the Fine Arts. These classes serve not only to build skill, but to build confidence and courage as well. They also give recognition for their sincere efforts.

P.E. Builds Bodies

THE MANY FACETS of Physical Education include skill, participation, coordination, and sportsmanship. Both boys and girls participate in such sports as basketball, tennis, volleyball, and track. These strengthen the body as well as conditioning it for later years. While striving to improve physical skill and coordination, the quality of good sportsmanship is stressed at all times. Freshman boys and girls are taught the basic concepts of physical education with advanced students enjoying a more diversified choice of activities.

Industrial Arts Stressed For Every day Life

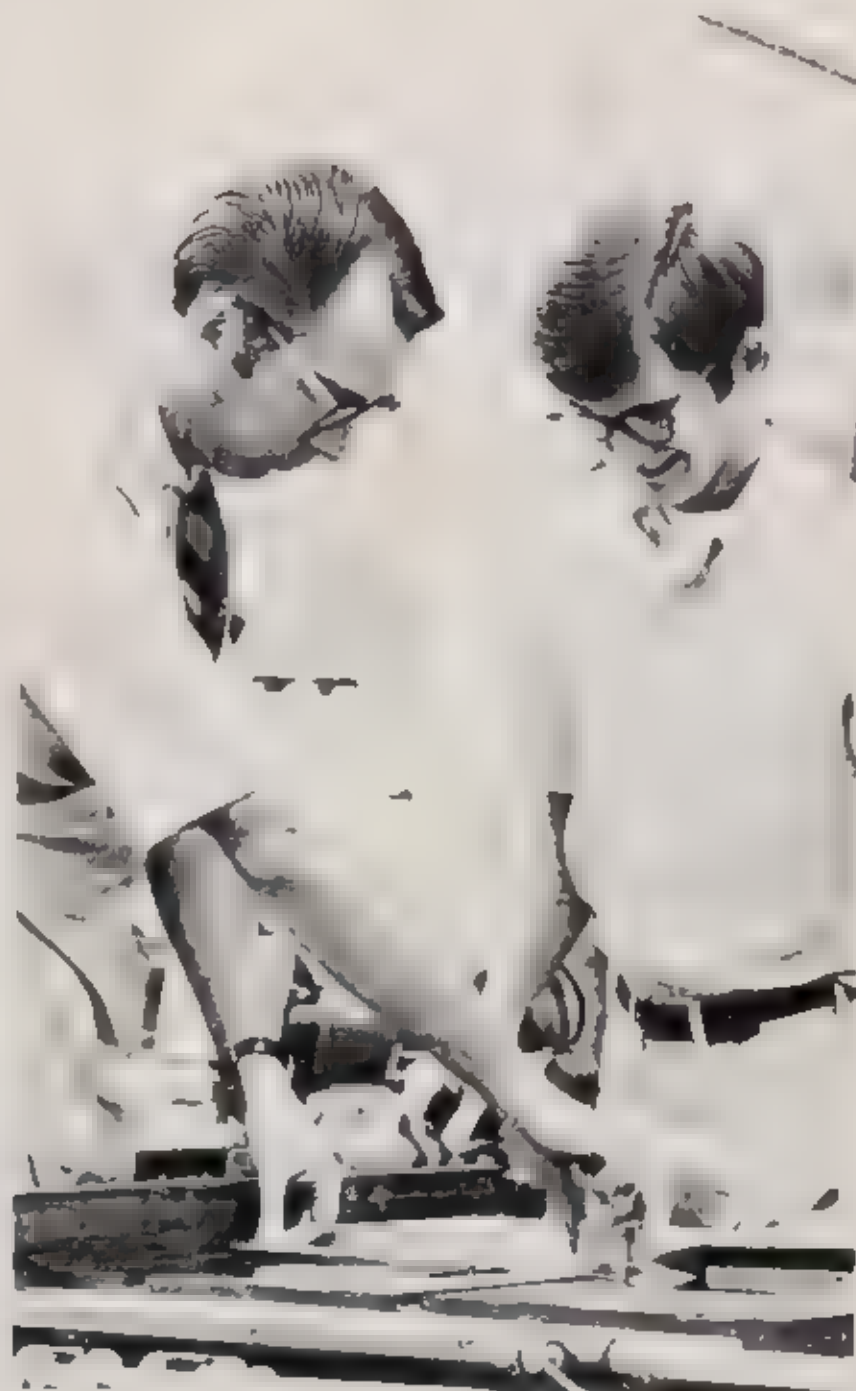

INDUSTRIAL ARTS, HOME Economics, and Driver's Safety Education courses are important to each individual in his everyday living. In Home Ec., students are taught to sew, cook, and how to care for a family and children. Industrial Arts courses offer students a chance to demonstrate their creativeness in wood-working and other mechanical skills. Driver's Education teaches students the basics of driving safety and personal safety. Besides being interesting, these courses provide for a productive and successful future.

Proficient Assistants Vital

Mr. Jack Webb

ARCADIA IS FORTUNATE in having an excellent guidance staff. Headed by Mr. Webb, the counselors are responsible for directing the students through satisfactory high school years. One of the primary duties of the guidance staff is to help students plan their schedules for all four years of high school. Included in the varied jobs of the counselors, lies the job of scheduling college representatives and helping seniors plot a course to follow after graduation. Many times, counselors play a vital role in the students' personal happiness while at Arcadia. The office staff also plays an important role in the smooth running efficiency of school life. The registration and attendance offices are vitally important to helping students, issuing leave and admits slips, and keeping records for the school.

School Staff Vital

Mr. George Rocker

Mrs. Dorothy Miller

ARCADIA IS NOT only endowed with a uniquely designed library, but we are also blessed with a very large assortment of books and references. The librarian, Mr. Bump, and his two very able assistants, Mrs. Friese and Mrs. Levy are continually at work in the library to aid confused and baffled students. Mr. Rocker and Mrs. Miller may be found at any time working diligently in the Bookstore. The bookstore handles most of the school's finances. The nurse, Mrs. Pecos, takes care of all the sore throats and upset stomachs. Clint Tomlinson is a very well-known figure on campus. Most often you will find him patrolling the parking lot.

Mrs. Jane Pecos

Cafeteria Staff And Custodians Important

THE CAFETERIA WORKERS and the janitors all have very important parts in seeing that the school, as a whole, is running smoothly and efficiently. The continual good food and fast service in the cafeteria are due to the very able cafeteria staff. The janitors are always on hand for repair and maintenance work. Arcadia students are very proud of their school and a debt of gratitude is owed to these fine people who make this pride possible by their hard work.

THE PAST NINE months has finally come to an end for the 1969 OLYMPIAN staff. No more deadlines to meet, no more pictures to crop, and no more copy to write. But for the staff and myself it has been very rewarding

Day by day we have gathered segments of momentous occasions, rewarding experiences, and just everyday happenings. Combining these aspects has inevitably led to the culmination of the 1969 OLYMPIAN

First, my most wholehearted thanks to Mr. Joseph Young our advisor, for guiding and tolerating the staff and me through all the problems we have faced. We could not have made it through the year without him. Next I would like to thank Lucy Burinsky, Co-Editor of the OLYMPIAN for her assistance and being there when I needed advice. Words cannot express the gratitude I feel toward my staff: Senior Editor Marnel Jones and her assistant Emily Hedges; Underclass assistants Cindy Merkie and Linda Farmer; Organizations Editor Susan Garrity and her assistant Patti Bailey; Activities Editor Pam Smith and her assistant Karen Kumm; Honors Editor Laurie Oldham; Faculty Editor Nancy May and her assistant Lori Oonk; Sports Editor Sharon Keil and her assistants Bill Fulbrecht and Connie Stephenson; and also to Linda Ruprecht for our original division pages and cover. Of course, a special thanks to our successful photographers Kelly Butler, Lee Scott, Bill Havranek, Don Hart, and Mark Uhlmann without whom the imaginative photographs you have seen could not at all have been possible.

And last but not least, a sincere thanks to YOU, the student body, for supporting this and future OLYMPIANS.

Sharon

Tina, Boy I sure
feel privileged
to write in your
year book - a whole
page even. I hope we
get in Dev. Reading together
next year. The poor teacher. And it
we get in the same "no class" just
think of all the trouble we can get
into. You sure I have been a real pal,
helping you enough. I hope we will always be
thank you no matter where you move - even
friends to Hitchfield - what a booming town! When
out to you get you Opel GT we can't get Henry,
Charlie, Daisy, Tuffy, Tippy, Candy, &
everybody + drive a round. (I'm
just kidding!) I could
write on and on but
all I get is this
page. Avec l'amour
Dyuthi

Dina,
You've been a great
note passer in Chem. I
hope you didn't mind.
Good luck!
Karen

Two letters have been received in the
 past of our appeal for all DRY to
 read of how needed by all had out!
 To one of you had for our appeal!
 helping that you had for our appeal!
 every of you had for our appeal!
 We will have had for our appeal!
 with you had for our appeal!
 with you had for our appeal!
 have you had for our appeal!
 had for our appeal!

Yinner-
Go a real cool
kid from a cool one. Ha Ha.
Hope to see you in the future
you down and see me sometime. So.
if you can back it.

Good Luck in the future.

Yinner.
Having that fun summer
Be good and you are
sweet as you are
Good luck always
Love Nancy

Yinner-
May you never change
from the sweet gal who
always gives more than she
receives - you'll never see
how much we miss our
super-duper pooper scooper.
Even when you didn't smile it
was good to see your ugly face!
No come & see us for you know
you're always welcome here
Love you
Jody
